“It is essential for all believers to understand angels in order to partner with them to move into the greatest explosion of miracles and soul harvest in history. This is your ‘how-to’ book.”

—Sid Roth, host, *It's Supernatural!*

After a powerful encounter with the Spirit of God, Ed Rocha's life and vision were changed forever. He began to see the supernatural with his own eyes, including healings, signs, wonders and angels. In this rich, biblically grounded book, Rocha, an international healing ministry leader, invites readers to join him on a breathtaking adventure, filled with supernatural experiences. Through faith-inspiring stories of real-life angelic encounters and a deep exploration of Scripture, you'll better understand the power of angels to bring healing, strength and deliverance.

God has always been at work in our world, sending His angels to interact and intervene in history. It's time for us to open our eyes, embrace their presence and join in their work!

“Ed Rocha is an amazing minister, pastor, healing evangelist and church planter. I am proud to have him as one of my spiritual sons. He is a great storyteller, making the experiences he shares come to life for the reader. I recommend *Angels—God's Supernatural Agents*.”

—Dr. Randy Clark, overseer, Apostolic Network of Global Awakening
