Former Satanic Priest Shares Key Strategies for Engaging in Spiritual Warfare and Defeating the Powers of Darkness

Armed and Dangerous: The Ultimate Battle Plan for Targeting and Defeating the Enemy by John Ramirez

The devil has come to steal, kill and destroy. Hell has unleashed fury against every believer. Yet many Christians live in denial, letting the enemy steal their blessings, destroy their relationship with Jesus and kill their purpose and identity. But no more!

With passion and insight gained from years on the frontlines of spiritual warfare, John Ramirez equips you with the biblical weapons and practical strategies you need to battle the enemy successfully, including how to

- discern and shut down the enemy's tactics and next moves
- fight with your God-given authority
- break free from destructive patterns and replace them with godly ones
- fortify your mind and heart against attacks
- take back what the devil has stolen
- grow in wisdom and maturity in Christ
- and more!

Here is everything you need to fight for your purpose, your destiny, your family and your loved ones—and even for unbelievers so they, too, will have the opportunity to make it to the cross.

It's time to live the life God designed you for. It's time to become armed and dangerous.

“Full of daily life skills that will help you disarm any work the enemy could ever think of bringing your way.”

—Nicky Cruz, evangelist and bestselling author
