Ainslee McKay's world is shaken when she discovers her twin sister has not only eloped with a man she barely knows but now Ainslee must fulfill their obligation at a tile works in Weston, West Virginia. Ainslee must learn the ropes and, if she can keep the tile works profitable, her brother will help her sell the business.

When Levi Judson arrives and shows Ainslee his designs for new tiles, she's impressed by his skill and passion for the business. But he's hiding his true reason for coming to Weston. And Ainslee knows he'd be crushed to learn his plans for a long career at McKay Tile Works are in vain since she intends to sell. Can the growing feelings between them survive if the truth comes to light or is a future together as untenable as the future of the tile works itself?
