An Essential Guide for the Prophetically Gifted

Becoming a Next-Level Prophet
An Invitation to Increase in Your Gift
by Jennifer LeClaire

Prophets are not sharpened in an instant. They must go through a making process to shape their character and burn off their impurities through experiencing the ways of God. As you explore your prophetic calling, you will understand your prophetic mission—and what it takes to progress through each level on your way to fulfilling your God-given destiny.

In *Becoming a Next-Level Prophet*, author, speaker and apostolic prophet Jennifer LeClaire encourages and challenges you to sharpen your prophetic edge through obedience, willingness, humility, selflessness, prayer, warfare, holiness, faithfulness and accountability. She urges you to mature in your anointing and to be a good steward of the gifts God has entrusted to you, pointing more people to Jesus. As spiritual warfare increases and the world is in desperate need of the clear voice of God, it is crucial that His prophets rise up with power and maturity.

**“Thank God for the new generation of prophets like

**“If you need a challenge to spur you on, then
Becoming a Next-Level Prophet is written with you in mind.”**
