

BOOK ANNOUNCEMENT

Romantic Multigenerational Novella Collection from Top Authors

- Four sweet romances by award-winning and bestselling authors connected by an heirloom brooch passed from mother to daughter for over 200 years
- Stories span from 1820s England to 1890s Texas to 1950s West Virginia to contemporary Washington
- Each novella ties in to the other stories as well as the authors' current series

In Kristi Ann Hunter's "Legacy of Love," Sarah Gooding never suspected returning a brooch to an elderly woman would lead to a job . . . and introduce her to the woman's grandson, a man far above her station.

In Karen Witemeyer's "Gift of the Heart," widow Ruth Albright uses the family brooch as collateral for a loan from the local banker. But the more she comes to know the man behind the stern businessman, the more she hopes for a second chance at love.

In Sarah Loudin Thomas's "A Shot at Love," Fleeta Brady's rough-and-tumble childhood means she prefers hunting to more feminine activities. She never expected her family's brooch might be how a fellow hunter turns her attention from competition to romance.

In Becky Wade's "Because of You," Maddie Winslow has spent years in love with a man whose heart was already spoken for. When a church Christmas project brings them together and she stumbles upon an old family brooch, might it finally be her turn for love?
