Delighting in God is the message A.W. Tozer intended to be the follow-up to *The Knowledge of the Holy*. He demonstrates how the attributes of God—those things God has revealed about himself—are a way to understand the Christian life of worship and service. Because we were created in the image of God, to understand who we are, we need to understand who God is and allow His character and nature to be reflected through us.

We are here to serve and adore Him, and we can only fulfill that role by acknowledging who He is. This is the essence of the Christian life and the source of all our fulfillment, joy, and comfort.

- Drawn from sermons, this material has never been available in print before now.
- Tozer continues to be one of the most influential pastors in recent history.
