# Robby Dawkins Shares Activation Principles for Believers to Participate in Kingdom Miracles

*Do Greater Things*  
by Robby Dawkins

## **Activating the Kingdom to Heal the Sick and Love the Lost**

In these pages Robby Dawkins shares incredible stories of God using ordinary people to do the impossible—things like receiving supernatural words of wisdom and knowledge, prophesying in His name, healing the sick, casting out demons, even raising the dead! Jesus said we would “do greater things than these”—and Robby shows that, when you have faith in the power of God, take Him at His Word and understand His love for you, you will see His power released in healings, miracles of all kinds and breaking the power of evil.
