1. Robby, your book is called *Do Greater Things*. What are the greater things you're calling us to do?
2. You share a story of a recent trip to Sierra Leone in Africa, where a Muslim *imam* allowed you to use his mosque for a healing session. Tell us how God moved!
3. Testimonies like this can do so much to build our faith. Tell us how we, too, can walk in the same power Jesus had.
4. Sometimes we ask the Holy Spirit for deliverance, healing or restoration, but the person we're praying for does not experience healing. How can we understand this? How can we trust God without becoming discouraged?
5. You say it's important to spend every day thanking God for the gift of His Holy Spirit. Why is gratitude an important piece of our walk with Jesus?
6. You give three steps to activate healing: take prayer outside the church, look for opportunities and don't wait for direction. Tell us about each of those.
7. When we activate our faith, we're entering a supernatural battle. How can we prepare our hearts and faith to engage in spiritual warfare?
8. Robby, you've been all over the world. You traveled to Iraq and met ISIS militants face-to-face. How is God moving in these places and hearts that seem to be so dark and unreachable?
9. Love is a key aspect of our calling and ministry as believers. What happens when we try to operate in signs and wonders without acting in love?
10. Robby, what would the world look like if each believer chose to step out in faith and love to operate as Jesus did and do the greater things?
