## An Exciting New Voice in Regency Romance

- Set in the popular Regency time period, Hunter hits all the right notes for fans of Regency and historical romance alike
- Readers will anxiously await each new story about the lovable Hawthorne family
- “Debut author Hunter pens a fantastic Regency romance. . . . The romance portrayed is top notch and will cause readers to sigh with delight in the end.”—*RT Book Reviews* Top Pick, 4½ stars on *A Noble Masquerade*

Lady Georgina Hawthorne has worked tirelessly to seal her place as the Incomparable for her debut season. At her first London ball, she hopes to snag the attention of an earl.

With money and business connections, but without impeccable bloodlines, Colin McCrae is invited everywhere but accepted nowhere. When he first encounters the fashionable Lady Georgina, he’s irritated by his attraction to a woman who concerns herself only with status and appearance.

What Colin doesn’t know is that Georgina’s desperate social aspirations are driven by the shameful secret she harbors. Association with Colin McCrae is not part of Georgina’s plan, but as their paths continue to cross, they both must decide if the realization of their dreams is worth the sacrifices they must make.

**“Hunter’s nicely nuanced, realistically flawed characters and the book’s emotionally compelling plot work brilliantly together to create a soul-satisfying romance that will not only please fans of faith-based fiction but any reader who values impeccably crafted love stories.”**
