BOOK ANNOUNCEMENT

Leading Expert Judith MacNutt Demystifies Angels and Their Roles in Our Lives

Encountering Angels *True Stories of How They Touch Our Lives Every Day* by Judith MacNutt

Angels have long fascinated humanity. From books to movies and TV shows to video games, everyone has their own opinions on who angels are and what they do. With so much information swirling, it is important for Christians to sort out what is biblical and true about these heavenly beings.

In this follow-up to her bestselling book *Angels Are for Real*, author Judith MacNutt helps readers separate fact from fiction. With warmth and insight, she shows

- the scriptural foundation for angels
- their purposes here and in heaven
- their role as protectors of children
- how they comfort, protect and worship with us
- their role in spiritual warfare.

This book is full of amazing encounters and inspiring stories, and readers will come away encouraged and awed by God's provision for His people through angels.

- Follow-up to *Angels Are for Real*, which has sold over 100,000 copies.
- Judith MacNutt is an in-demand keynote speaker who bridges denominations.
- Author is the co-founder of the internationally known Christian Healing Ministries along with her husband, bestselling author Francis MacNutt.
