# PREFACE

Studying God's Word is the most important type of study. By solving puzzles that challenge you to think, use logic, and focus, this book enhances your study of God's Word.

You will absolutely learn things; I guarantee it.

Throughout the process of compiling the questions and crafting the puzzles, I constantly learned something new about our Lord. Among the hundreds of puzzles and questions I create for each of my puzzle books, only the best are used. May you have fun, be enlightened, and receive blessings from immersing yourself in this latest work unto the Lord.
