You must not steal.
You must not cheat people.
You must not lie to each other.

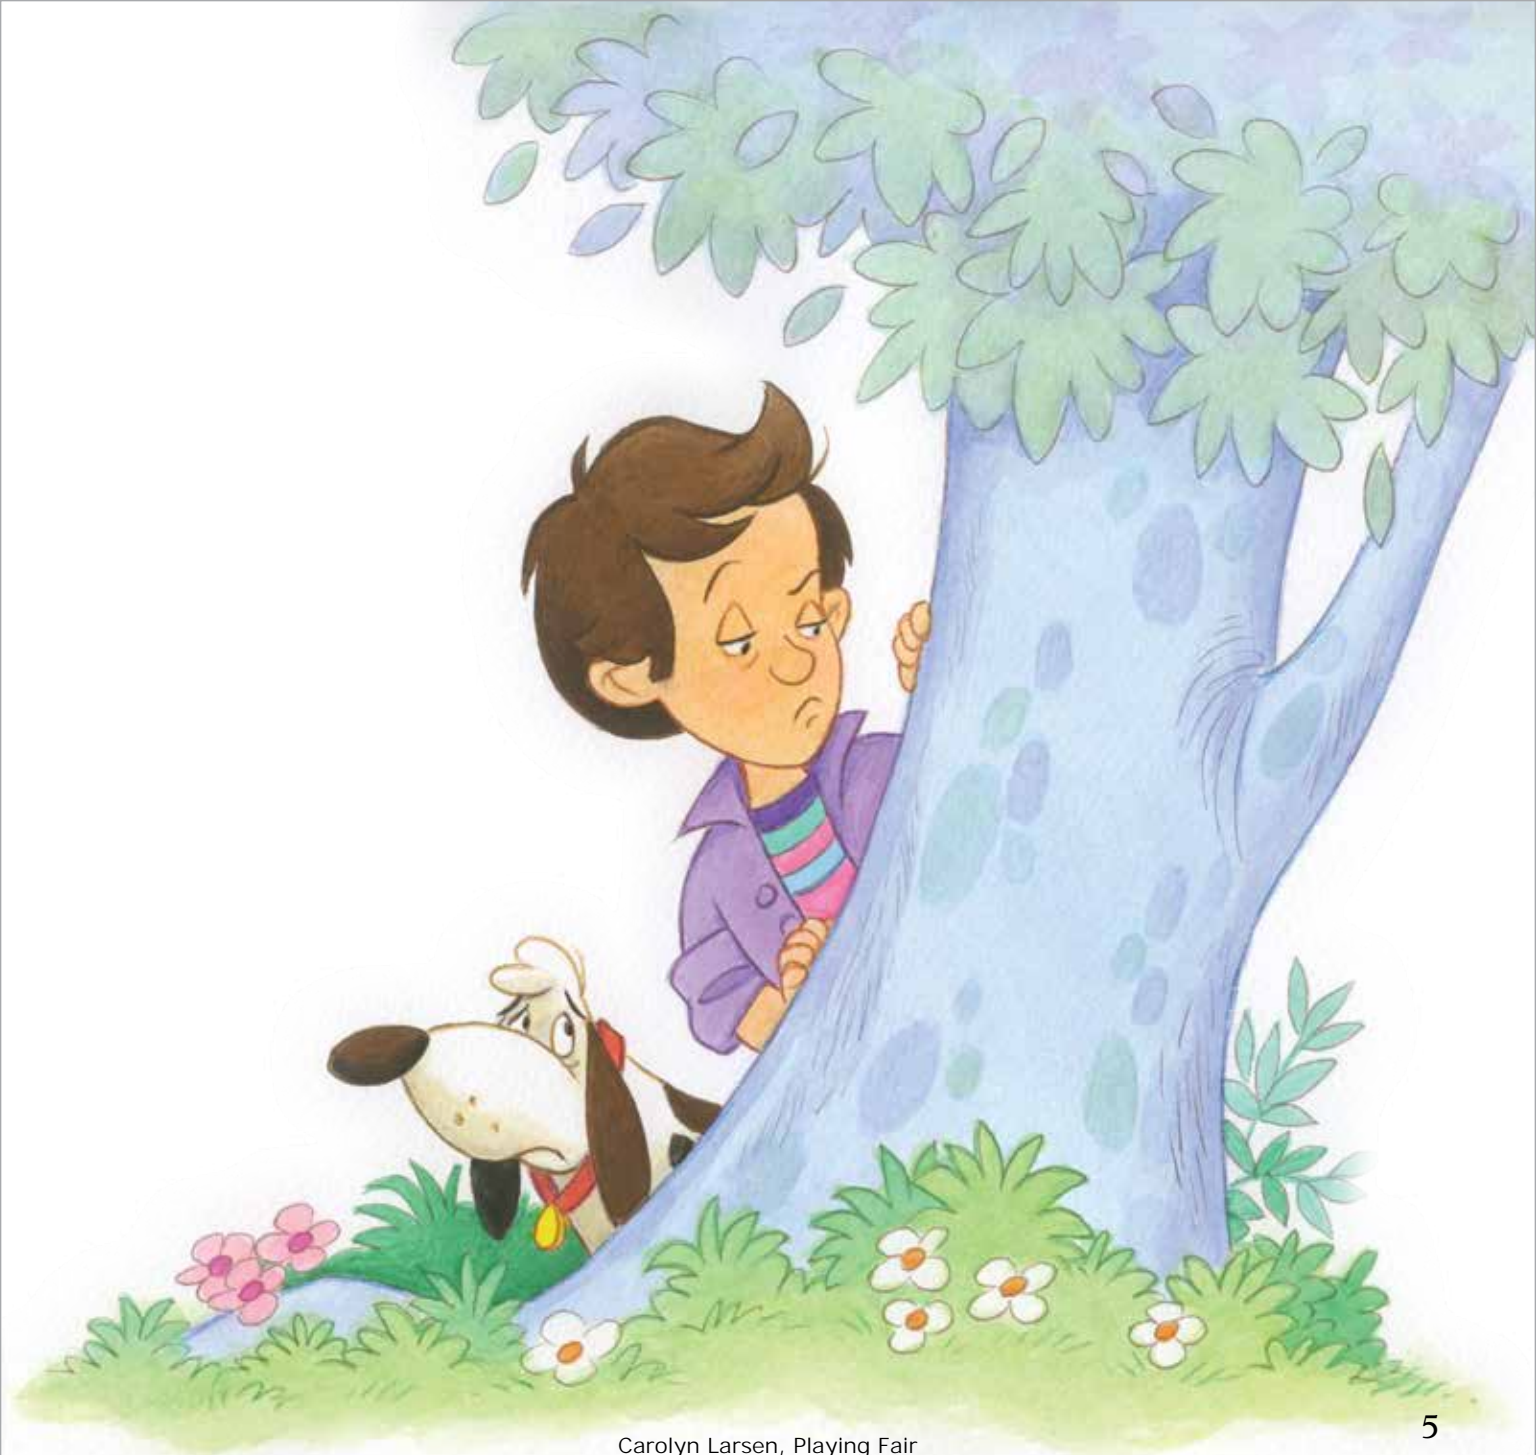

LEVITICUS 19:11

See that boy? That's Max. Sometimes he cheats
to get what he wants.

My name is Leonard, and I'm Max's favorite toy.

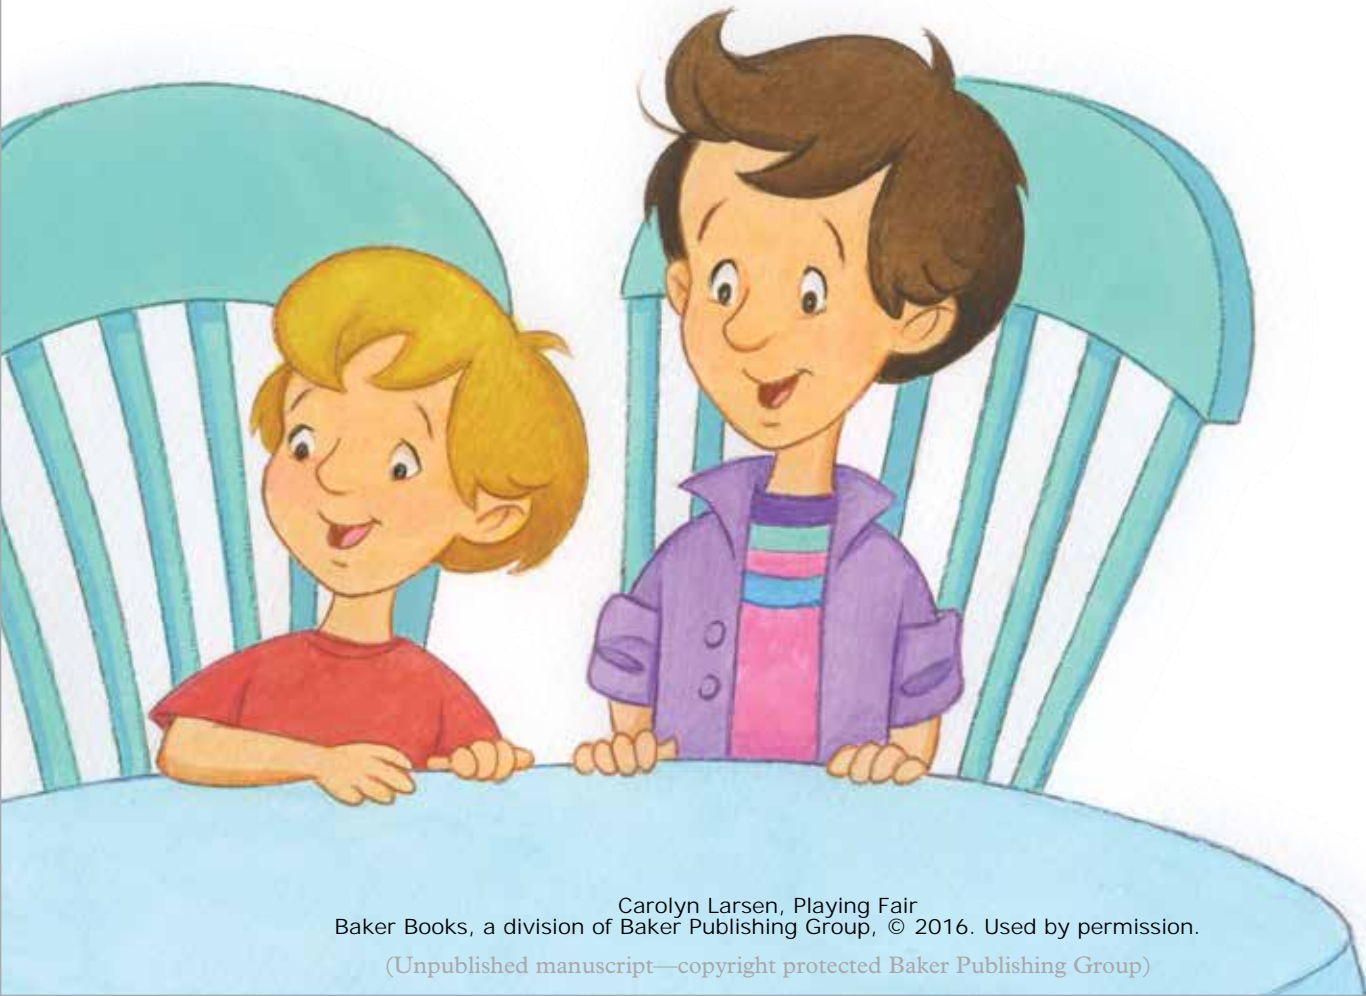

Max and his little brother, Zach, love candy.

One day their mom buys a bag of their favorite candy. She says, “Here, Max, divide it up. Give half to Zach; the other half is for you.”

They can’t eat it all at once, of course. But they will each have some for several days.

“One for you and one for me. One for you and two for me. One for you and three for me,” Max says as he divides up the candy.

Max is cheating his brother. He thinks that since Zach is so young he won’t notice.
