A Tale of Unexpected Friendship and Old Hollywood Glamour

- A reclusive former Hollywood star's secrets wait at the heart of this moving drama
- Cushman's reads are perfect for book clubs and fans of Lisa Wingate and Karen Kingsbury
- A story of dreams lost and found, and the willingness to stand for what's right rather than what's easy

Lauren Summers is hiding. Her fashion house internship should have launched her career, but a red carpet accident has left her blackballed. The only job she finds is unpaid, but comes with free lodging—a rundown cottage in the shadow of a cliff side mansion. Unsure of what comes next, she's surprised to be contacted by a reporter researching a reclusive former Hollywood ingénue who lives in the nearby mansion.

Kendall Joiner wants Lauren's help uncovering the old woman's secrets. In return, she'll prove the red carpet accident was a publicity stunt so Lauren can regain her former job. With all her dreams in front of her, Lauren's tempted by the offer, but as she and the old woman get to know each other, Lauren realizes nothing is quite as it seems.

“Cushman brings realism and depth to Lauren's economic, career, and ethical struggles...Cushman's talent is spectacular in this heartening story of putting others first.”
