***Fueled by Fire***  
***Becoming a Woman of Courage, Faith and Influence***  
by Staci Wallace

Women today are expected to find “balanced success” in every discipline—service, leadership, influence, managing busy schedules, nurturing families, building businesses, gaining followers and, at the same time, harnessing their emotions. Meanwhile, there is a resounding message being broadcast that we should have more, do more, be more and somehow change the world. Enough never seems to be enough.

Is a life of sustainable peace, profits and purpose even attainable today?

With over 30 years of business leadership, 25 years of nonprofit work, a marriage of 23 years and two God-fearing young adults, Staci teaches women how to escape the trap of unrealistic expectations and how to overcome the addiction to the approval of others. Her life of miracle comeback stories shows proof to the message she boldly carries of being fueled by the fire of the Holy Spirit in a world that loves to water down the truth.

In Staci’s book *Fueled by Fire*, you will be deeply challenged by the forthright courage of women in the Bible. And you will be inspired by Staci’s own story of walking courageously through epic challenges in business and life, proving that with God, anything is possible.

***“There is no doubt that the marketplace is the sphere of influence God has given Staci Wallace. . . . With your complete surrender to Jesus, Staci’s words in this book will bring transformation into your life.”***
