2. You are also the founder of EMwomen. Tell us about this organization.
3. In the beginning of your new book, *Fueled by Fire*, you talk about what it means to “B.O.O.M.”. What does that mean, and why is it so important for women today?
4. In Matthew 18:19 Jesus says, “Again, truly I tell you that if two of you on earth agree about anything they ask for, it will be done for them by my Father in heaven.” Why is the power of agreement so huge for women?
5. Making a comeback after it seems like your dreams have failed is really challenging. What hope can you give to women who feel like they’ve failed in some way?
6. In the second part of *Fueled by Fire*, you explain that “women are Satan’s worst nightmare.” Will you walk us through that?
7. Scripture regularly affirms women and gives women a lot of hope despite culture often telling us that we are “less than.” Will you give us an example in Scripture of God using women to advance His Kingdom?

9. What are some practical strategies women can apply to gain greater emotional and mental mastery, and how can they silence the attacks of the enemy throughout the workday?
