Layla and Kevin Palmer bring young readers, ages 3–8, and their families an inspiring, selfless story filled with Christian values. *The Happy Crab* gently reminds young readers of the importance of kindness, compassion, and empathy.

Based on actual events, *The Happy Crab* shares the story of a crab who is picked up for his beautiful shell by a mama and son on a family beach vacation. When the boy finds out his souvenir shell has a live crab inside, he has to decide: take him home or let him go.

With bright colors and fun oceanic animal illustrations, the Palmers emphasize the values of feeling home and belonging, and show that true happiness comes from putting others first.

The Happy Crab is a great gift for your young reader—perfect for displaying on kids' bookshelves and joining family read-along collections. *Publishers Weekly* recently featured the book in a Fall 2021 article on children's books emphasizing Christian values and fun.
