Constant noise and distraction clamor for our attention and make it difficult to distinguish God’s voice from the voices surrounding us—both internal and external. We can be immobilized by fear of failure and our own insecurities, leaving us uncertain that it is God’s voice we hear.

A fresh voice for a new generation, Brittany Rust teaches believers how to discern the voice of God and live out the plans God has for them by

- silencing the other voices so it is God’s voice that prevails,
- tuning out the world and tuning in to the voice of God, and
- gaining the confidence to step out in faith.

It is time for us to separate the loud, external distractions from the quiet whisper of our beautiful God, who promises us that when we call His name, He is ready to respond.

“Brittany unpacks the power of surrendering our all to God. . . . A message of hope for those unsatisfied with the status quo.”
