1. This book discusses the powerful phrase, “Here I am, Lord.” Can you share with us your own “Here I am” moment and what led you to write this book?
2. How has this book been a different writing experience than your previous books?
3. The first section of your book explains different noises that may overwhelm God’s voice. How can readers begin to distinguish God’s voice from these distractions?
4. What do your readers need to remember most when they feel like they cannot hear God’s voice?
5. Will you share a moment from your life when you’ve had to give up something you cared about and how you were able to overcome your loss by listening to God?
6. In the second section of *Here I Am*, you share several stories of people who responded to God when He called on them. What stood out to you about these people, and why are they included here?
7. How can we become more like the people of these stories?
8. When in your life has God called on you to step out in faith?
9. What is your prayer for the people reading *Here I Am*?
10. Where can our viewers go to learn more about you and your new book, *Here I Am*?
