How Heaven and the New Earth
Satisfy Our Deepest Longings
by Elyse Fitzpatrick

1. Why is there a general lack of understanding about the New Earth among Christians?
2. There have been many books written on the afterlife. What are they missing? What is it that the authors who claim to have seen heaven can't tell us?
3. How can a sudden loss or other suffering in our life cause us to long more for the New Earth?
4. You write that our *Home* with God will be more physical than we may expect. What do you mean by that?
5. What words of comfort do you have for the person who wants to go *Home* but is afraid of dying?
6. How can your environment at home shape your family's understanding of eternity?
7. Talk about what worship will look like on the New Earth.
8. How does the apostle John describe the New Jerusalem we're going to inhabit?
9. What do you hope readers take away from this book?
