***In the Shadow of Denali*
THE HEART OF ALASKA #1**

by Tracie Peterson and Kimberley Woodhouse

Cassidy Ivanoff and her father, John, work at the new and prestigious Curry Hotel near the foot of Mount McKinley—Denali as it’s still called by the natives. John is the wilderness and exploration guide for the wealthy tourists while Cassidy works in the kitchen as Cook’s assistant. The entire staff buzzes with excitement during the busy days preparing for the President’s imminent visit. His historic trip to dedicate the new national park on his way to driving in the golden spike to officially complete the Alaska Railroad will be the beginning of a new era for all of them and place the Curry at the heart of Alaska.

Allan Brennan travels to the Curry Hotel to be an apprentice to the seasoned Alaska mountain guide, with hopes of discovering the truth about his father’s death on the mountain years earlier. His father’s business partner blames the guide for Henry Brennan’s untimely death, but Allan cannot be at peace until he knows for sure. He finds an unlikely ally in Cassidy, and as the two begin to look into the mystery, they suddenly find that things are much less clear, and much more dangerous, than either could ever imagine.

**“This novel is a beautiful story that takes place
in the height of Alaska’s renaissance.”**
