- Acclaimed authors with more than 15 million in combined sales

- Blending supernatural and suspense, these stories read like your favorite television series

Gathering four stories from four bestselling author friends, *Invitation* is the first collection in the ongoing HARBINGERS series.

In “The Call” by Bill Myers, four strangers are drawn together to help a student at the mysterious Institute for Advanced Psychic Studies. His gifts are supposedly being honed to assist world leaders . . . but there are some very disturbing strings attached.

Frank Peretti’s “The Haunted” confronts a supernatural mystery, a case of murder, and an exploration into the darkness of the human heart, all centering around a mysterious house.

In Angela Hunt’s “The Sentinels,” animals around the world are mysteriously dying. What could it mean? When the tragedy begins to touch Andi’s dreams, she discovers a terrifying theory.

“The Girl” by Alton Gansky is a gripping tale of a young barefoot girl found holding a scroll in the snowy Oregon mountains. She is sweet, innocent—apparently not of this world—and something wants to kill her.
