National Youth Evangelist Shares Stories of Revival in Public High Schools

The Jesus Club *Incredible True Stories of How God* *Is Moving in Our High Schools* by Brian Barcelona

What happens when a former teenage atheist hears God's call to do the impossible—and decides to act on it?

In this riveting true story, Brian Barcelona recounts how, just a few months after graduation, he responded to God's directive and returned to his high school campus to preach the Gospel to the students. Brian had no training, no resources and no experience. His only tools were raw passion and obedience.

Suddenly, lives began to be changed. Teens from every background were healed of suicidal thoughts, the trauma of physical and sexual abuse, drug addiction, identity crises and much more. Hearts were saved. Entire families were healed. The Jesus Club's numbers grew, and soon other schools joined in. From one simple act of obedience, thousands of teens were, and still are, letting Jesus heal their lives. And this is only the beginning of the story.

God is moving powerfully in our nation's high schools. Be inspired by the revival that is transforming an entire generation.
