\$15.99; 208 pp.
Ebook ISBN: 978-1-4934-2503-7
Release Date: August 2020

Joy is something we all want, but it can feel elusive when it's defined by how we feel in a given moment or by what our circumstances are in the present. Sometimes joy feels like it can be taken away, even when things are good. The concept of joy feels even more tenuous as we try to find our way through a pandemic, change, and uncertainty.

Suzanne Eller believes that joy is more than a feeling. It's a knowing.

In her new book, *JoyKeeper*, Suzanne shares six biblical truths that will transform our understanding of joy.

In addition to key passages from Scripture and pause points for readers to do heart work, Suzanne shares the lows and the highs of how she has come to know true joy.

She helps readers

- Replace the need to hide emotions with honesty about how they feel
- Redefine joy from an up-and-down feeling to who God is in the right-now
- Discover how joy guides through the hard places as well as the good
- Run freely to their Source of joy, rather than try to do it on their own
- Confront everyday joy stealers to live day-to-day as a *JoyKeeper*

Whether you are experiencing deep sorrow—from illness, financial stress, loss, change—or great happiness—from new life, friendship, love—*JoyKeeper* will powerfully redefine what joy looks like as you embrace a life marked by joy.
