JoyKeeper
6 Truths That Change Everything You Thought
You Knew about Joy
by Suzanne Eller

1. Suzie Eller is a bestselling author, co-host of the *More Than Small Talk* podcast, a wife, momma, and grandma (Gaga). Suzie, tell us a little bit about your background and how this new book, *JoyKeeper*, came to be.
2. Suzie, you start this book by sharing about a year in your life that you call “scarred.” Talk to us about what you walked through that year.
3. How were you able to find joy in all of those scary moments?
4. One of the first insights you give us for understanding joy is that joy is much more than a feeling or an emotion; joy is actually a knowing. This may seem a little counterintuitive to some of us. Will you walk us through what this means?
5. You share about joy stealers throughout the book. Can you explain one type of joy stealer and how we can confront it?
6. What are some practical ways that we can find joy in the midst of our hardest days?
7. Scripture talks so much about joy and rejoicing in God. Will you share with us one of the truths about joy that you discovered while writing *JoyKeeper*?
8. Talk to us about the prayer starters in the book. How can readers best use these prompts in their daily lives?
9. Many women who pick up this book will have already encountered Jesus, but some will be new to the faith and won’t quite understand God’s love yet. What is it’s store for them as they read these pages?
10. What is your prayer for the women who are tired, run-down, or lonely and pick up this book?
11. Where can our listeners go to connect with you and purchase a copy of *JoyKeeper*?
