Jill Williamson's Fantasy Saga Continues!

- Williamson's epic fantasy saga takes to the high seas in this perilous search for a new land
- A top name in inspirational fantasy, Williamson continues to gain new fans
- Winner of two Christy Awards, an Inspy Award, and had books twice named VOYA magazine's Best Science Fiction, Fantasy, and Horror novel

In the second volume of Jill Williamson's *KINSMAN CHRONICLES*, a remnant has escaped the destruction of the Five Realms and now lives on several hundred ships adrift at sea. As a flock, they sail north into the unknown in hopes of finding land that might become their new home.

As the king's illness worsens, Sâr Wilek takes authority over the expedition and struggles to rule the disjointed people, while assassination attempts, vicious serpents, and dark magic endanger his life.

One prophecy has come to pass, but another looms dauntingly in the future. Who is this Deliverer? And if the Magonians have him, what might that mean for the realm of Armania?

“Readers looking for clean high fantasy reminiscent of George R.R. Martin’s *A SONG OF ICE AND FIRE* series will appreciate the struggle for power within warring families that Williamson creates, with shocking complications and intense conflict.”

—RT Book Reviews

“Williamson’s mesmerizing writing and intriguing characters make this second series entry a must-read for epic fantasy fans.”
