# A Biblical Exploration of the End Times, the Antichrist, and Israel’s Role in the Final Days

## *The Last Hour*

*An Israeli Insider Looks at the End Times*

by Amir Tsarfati

We all have questions about the end times. But, as Israeli Christian and respected Bible teacher Amir Tsarfati explains, biblical prophecy is a mystery, not a secret. Understanding is available to anyone who takes the time to study it. Let this book be your guide.

With deep, thought-provoking insight into biblical prophecy and its modern-day application, Amir’s exploration of the Bible is both fresh and fascinating.

Rather than engaging in speculation and playing on people’s fears, Amir poses real-life scenarios grounded in biblical truth regarding the Rapture, the Antichrist and the Great Tribulation. He also helps you understand the roles—and fates—of Russia, Iran, the European Union, the United States and Israel in the end times, showing how biblical prophecies are being fulfilled right now.

There is hope in the midst of chaos. No matter what happens, God is in control. He will protect His own.

**“What God has promised to His people, He is fulfilling. I believe that God is going to use *The Last Hour* to open hearts to the Gospel.”**

**—Dr. David Jeremiah, founder and president, Turning Point; senior pastor, Shadow Mountain Community Church**
