1. What led you to write this book, *Live Like Jesus*?
2. Putty, at the start of your book you ask readers a dangerous question—*is your faith the real deal?* How can we know if it's truly faith?
3. You wrestled with this idea in your own life. Tell us how your own faith became real to you.
4. You say that at the beginning of creation, God spoke a word over humanity. Tell us what that word was and how it applies to sin and salvation. (He spoke and created an *identity* and a *destiny* for us.)
5. How can we reclaim that sinless, pure, righteous state in our lives today?
6. Speak to the person who still struggles with a habitual sin, such as lying or selfishness or lust. How can they gain victory over that sin?
7. There is a lot of discussion around our old nature and our new nature. What does God really say about our new—or redeemed—identity?
8. How can we experience the attributes of God?
9. You were led to start the School of Kingdom Ministry in Illinois. You've been witness to some fantastic changes and transformations of the students who attend over the years. Share one of those stories with us.
