"We are so thankful to have Matt and Lisa in our life! They've been foundational in our growth and development—not only as a couple, but as individuals. Their wisdom and experience has been a true blessing in our life and we know it will be for yours, too!" —Jeremy & Audrey Roloff

Matt and Lisa Jacobson, the authors and founders of Faithfulman.com and Club31Women.com, help you to love, cherish, and serve the person who shares life's journey with you in two new devotionals. In *Loving Your Wife Well* (Revell, September 2022), Matt Jacobson teaches the dynamic power of God's Word, offers direct instruction on where your thinking needs to change and provides specific, positive action steps for each week to build the marriage you desire—the one God designed you to enjoy.

In *Loving Your Husband Well* (Revell, September 2022), Lisa Jacobson helps you love, cherish, and serve the man who shares life's journey with you. Each entry includes a specific theme, related Scripture, a powerful devotion, thoughts for further reflection, practical ideas, and a prayer.

"Friend, your marriage is the most important relationship you will ever have this side of heaven," writes Matt. "That's why I want to share this book with you. The biblical truths and principles in these devotionals have been the bedrock of our marriage, and I know they will bless your marriage greatly too."

Testimonials

"Matt and Lisa are relatable and funny and down-to-earth--all while bringing us a message of God's truth. Their content is so good, just very encouraging and challenging at the same time. Their lessons are timely, and their real-life stories bring them to life. And they always come from the standpoint of what God's Word says."

"I love how Matt and Lisa can deliver gospel perspective and scripture on so much that applies to my life and marriage. It feels like a couple a few steps ahead in life asked you to their home for lunch after church and asked you what you would like to learn or need help with--no hard topic off limits. They then teach you conversationally; lightheartedly discipling and lovingly challenging from experience they can pass on."

"I have found the advice Matt and Lisa offer (the fun they have with each other and the love they possess for Christ and one another) to be so encouraging! They are realistic in the advice and wisdom they share. They are also honest in sharing the mistakes and victories they've made over the years."

"My husband and I are reading the 100 Ways to Love books, and our relationship is blooming. We are loving each other more and are learning to see things from each other's perspectives again. We almost have that high school giddy love back from when we first started dating. I owe it to those books. It saved our marriage that we were ready to give up on. I will forever be grateful for finding those books."

"I love practical biblical teaching, and Matt and Lisa have been so helpful! They share their teaching and then follow up with how to apply that in everyday life."
