The Most Important Stories of the Bible *Understanding God's Word through the Stories It Tells*

by Christopher D. Hudson and Stan Campbell

Perhaps you've heard of the exciting adventures of David and Goliath, Noah, or Daniel in the lion's den, but you don't know the details. Or maybe you read Bible stories like these a long time ago, but you can't figure out how they fit together and what you're supposed to get out of them.

The Most Important Stories of the Bible will lay out for you the key stories in Scripture and how they flow into one big story. Each chapter is compact, easy-to-read, and includes a brief introduction to explain the historical context, plus a summary to help you understand its most important lessons for your life and faith.

There's a reason most of the Bible is made up of stories. They speak to us in a deep way, helping us internalize God's message. And in the end, understanding the stories of God's Word will help us connect more closely to Jesus, the greatest storyteller of all.

ABOUT THE AUTHORS:

Christopher Hudson is the author of numerous books, including the *Self-Guided Tour of the Bible* and *Navigating the Bible*, and has contributed to over fifty Bible projects. Christopher is a graduate of Wheaton College (IL) and has been an active teacher in his church for over twenty years. He lives outside Chicago with his wife and three children.

Stan Campbell holds communication degrees from Middle Tennessee State University and Wheaton College. He has authored dozens of Bible-related books, primarily for youth and seeker markets, including the first three editions of *The Complete Idiot's Guide to the Bible*. He and his wife, Kathy, live in the Nashville area.
