“As you journey through this book, you will be powerfully equipped to understand the enemy’s tactics, and you will most definitely receive impartation and revelation about the awesome Kingdom inheritance that God has bestowed on each of us.”

—Rebecca Greenwood, co-founder, Christian Harvest International and Strategic Prayer Apostolic Network; author, Defending Strongholds of the Mind

Does it seem as though your prayers are not being answered? Even after praying fervently, do you feel that God is not listening, that God isn’t speaking or acting? Most of us have felt this way. But there are tools and strategies we can implement to break through the barriers.

Keying in on two vital areas of spiritual warfare—restoration and retribution—apostle and speaker Venner J. Alston reveals strategies for engaging heaven with the expectation of answers to your prayers. You will learn how to recognize the demonic structures operating against you and understand the biblical response necessary for answers to be manifested.

Prayer is a fundamental aspect of Christian living and imperative for spiritual warfare. Learn the principles for receiving justice for what has been lost, taken or delayed by the kingdom of darkness. Spiritual weapons are available for you to overthrow every assignment of hell that comes against you. Take up your arms and fight back!

“We must never let the enemy create fear in us, nor be afraid of understanding the enemy’s schemes, character and ways. That is why I am so excited about this book. In *Next-Level Spiritual Warfare*, Dr. Venner Alston provides foundational principles that will help you and others become more effective in praying and experiencing answers to your prayers.”
