The Powerful Concluding Novel to THE RESTORATION CHRONICLES

- A perennial bestseller with a global reach, Austin has fans across the country and the world
- Her novels continue to set the standard for historical and biblical fiction
- This rousing conclusion to her RESTORATION CHRONICLES gives readers a vivid look into Old Testament life

When news that the wall of Jerusalem is broken down, and its gates have been burned with fire, Nehemiah, Jewish cupbearer to King Artaxerxes in Persia, seeks God's guidance. After fasting and prayer, he's given leave to travel to Jerusalem and rebuild the city wall, not anticipating all the dangers that await him on his arrival.

The leaders of the surrounding nations become his fierce enemies, plotting to assassinate him and halt the work. A drought, meanwhile, has left the country impoverished, many families resorting to selling their children as bondservants just to keep from starving.

Capturing the rebuilding of the wall through the eyes of a number of characters, *On This Foundation* is a powerful exploration of faith in the midst of oppression, and hope that, in spite of appearances, the gracious hand of God is upon those who believe.
