Break Free From Fear

Overcoming Fear

The Supernatural Strategy to Live in Freedom

by Dawna De Silva

Fear, anxiety and stress motivate us more than we realize. Our need to control situations can leave us feeling overwhelmed. But God has given us a biblical strategy to overcome the fear that erodes our energy and saps our joy. With practical and activating steps, Dawna De Silva, founder and co-leader of the International Bethel Sozo Ministry, shows you how to

- identify the fears, patters, and lies that harm your connection to God
- resist fear by taking ownership over its influence
- find healing and liberation through the Word and the Spirit

When you master power, love and self-discipline, you will elevate yourself above the enemy’s attacks and be released from fear into abundant, healthy living. You will experience the true healing that can come only from God.

“Dawna partners with the Holy Spirit to pull out rooted lies from the garden of your heart. I remember the first time I heard her message on overcoming fear. It had such clarity and power. I cannot recommend this teaching or this person more highly. Do yourself a favor and read this book. Who knows how much spiritual baggage you will lose?”

—*Jenn Johnson, Bethel Music*

“In these pages, Dawna will show you how to use biblical keys to break free from the strains of fear. Her practical style shines forth. As we all know, truth is what ultimately sets us free, and Dawna takes plenty of time to pack truth into her book.”
