## *Praying Mom*

*Making Prayer the First and Best Response to Motherhood*

by Brooke McGlothlin

What if prayer doesn’t come easily? What if your prayer life changes when you have kids? What if motherhood is all consuming and you can hardly think, let alone pray?

Million Praying Moms cofounder Brooke McGlothlin’s *Praying Mom* speaks truth into the everyday lives of women struggling to have a fulfilling prayer life. Addressing seven common obstacles to prayer, this practical guide helps moms find the vibrant prayer life they want, need, and are ultimately called to.

*Praying Mom* provides answers to the Christian mother who

- doesn’t know how or what to pray
- feels too busy and too tired for prayer
- needs assurance that God hears her prayers
- wants to become equipped to pray Scripture over her family and self

Through Scripture-inspired prayers and firsthand encouragement from real women, readers will begin to alleviate anxiety and walk in peace knowing that prayer *can* be a parenting plan. Brooke helps moms of newborns through young adults find the heart behind the challenges, jumpstart their own prayer lives, and become prayer warriors for their families.

**“Prayer comes naturally to some, but not to most. And because the words don’t flow, or we think we need to follow a formula, we moms end up avoiding the most essential and transforming work we do on behalf of our kids. We don’t pray. But Brooke has written a wonderful book that breaks it down and makes prayer not only feel possible but irresistible.”**

**—Jeannie Cunnion, author of *Mom Set Free and Don’t Miss Out***
