An Empowering Prophetic Call for All Believers

Prophetic Community
God's Call for All to Minister in His Gifts
by Kim M. Maas

All God's people have been given the ability not only to hear His voice but to speak His words. Yes, some still believe that the gift of prophecy ceased with the death of the New Testament apostles. Others believe that gifts are reserved only for those specially anointed and appointed. Grounded in Scripture, international speaker and author Kim Maas will help you understand

- the history of the modern prophetic movement
- key misunderstandings and misconceptions about prophecy
- where prophetic community fits into God's Kingdom plan

When the Body of Christ recognizes that we are called to be a prophetic community, the voice of God will be released with fresh power in the Church and in families, in the halls of justice and of education, in places of business and of leisure, and in the streets of every neighborhood, city and nation. Lives will be changed. Communities will be transformed. Culture will be influenced. And history will be made.

“I'm so excited about this book! Kim has successfully delivered a book on the prophetic that is very balanced, captivating and edgy all at the same time. Her writing style is authentic, and her presentation is both spiritually deep and refreshingly pragmatic. You'll definitely want to buy this book not just for you, but for your ministry teams, too.”

Prophetic Community will help many to be prophetic.”**
