## Join in a Lifestyle of Displaying Jesus' Love and Power!

### *Putting Jesus on Display with Love and Power* by Brian Blount

The Holy Spirit empowers every believer not only to proclaim but also to demonstrate the reality of the good news of the Gospel by living a lifestyle of signs and wonders that puts Jesus on display. As we look for the Holy Spirit's activity happening around us, listen for His voice and respond in obedience, we enable others to encounter the love and power of Jesus through us. But how can we overcome the fear of failure and rejection?

With humor and candor, Brian Blount shares both the struggles and the triumphs of a lifestyle of empowered evangelism. Through practical insights and personal stories, Brian presents biblically based training on how to engage in the mission and ministry of Jesus. You can do this!

**“Brian has a passion like few I have seen to equip all the Body of Christ to walk in the fullness of who Christ is. . . . Reading Brian's words, you will be freed from you fear of failure and empowered to witness the miraculous by your own words and your own hands, but with Christ's very own power.”**

**—Robby Dawkins, documentary film subject; bestselling author  
and international conference speaker**

**“Your faith in what God can do today will expand and deepen immeasurably. If you're among those who don't believe that God heals today, or believe that if He does, He does so only rarely, this book is for you.”**

**—Sam Storms, Bridgeway Church, Oklahoma City**
