1. Brian, you have spent the last twenty years equipping and training individuals, teams and churches in healing and power evangelism. Can you speak with us about what this looks like in your life and what movement you are seeing in the Church?
2. Your book mentions that John Wimber has had a powerful impact on your life and your ministry. How did Wimber's theological teachings ignite the Holy Spirit in you?
3. What is power evangelism, as coined by John Wimber?
4. Your book, *Putting Jesus on Display with Love and Power*, discusses what it means to live a life of signs and wonders. What does it mean to put Jesus on display?
5. In the first chapter of *Putting Jesus on Display with Love and Power*, you mention the spirit of unbelief. Talk to us about the effect this demonic force has on healing ministries.
6. Can people with doubt—doubt that Jesus will heal them—be healed of their sicknesses?
7. You declared during a service in South Africa that even those who are sick can pray and heal the sick. Can you tell us what happened during this moment? How is it that two partially deaf women were able to pray for each other and instantly receive healing through the power of Christ?
8. Tell us about the 5 M's of Jesus' ministry that you mention in your book—mission, message, means, method and model. Why are these important to understand?
9. What advice can you give to people who want to activate their own spiritual gifts?
10. Where can our audience go to purchase your book and to connect with you?
