A Proven Guide for Cultivating Your Children’s Spiritual Gifts

Raising Spirit-Led Kids
Guiding Kids to Walk Naturally in the Supernatural
by Seth Dahl

With all the responsibilities parents have raising children, we often neglect one key area: helping our sons and daughters understand and grow in their spiritual gifting and authority.

In this groundbreaking resource, Seth Dahl, who served for years as a children’s pastor, helps parents minister to and with their children, helping them mature into the gifted individuals God designed them to be, while simultaneously striking a blow at the kingdom of darkness. He covers important topics like

- creating a culture of faith at home
- helping your children grasp spiritual truths
- training even small children to live out the Kingdom of God in their everyday lives

By using the practical tools offered here, you will help your kids learn to hear and follow the leading of the Holy Spirit with confidence.

“With bliss-filled joy, I am extremely happy to recommend Seth Dahl’s book *Raising Spirit-Led Kids*. Packed with practical tools, biblical insight and firsthand testimonies from empowered families, *Raising Spirit-Led Kids* offers great wisdom from Seth’s many years of experience as a ministry leader and as a father.”
