## Sample Interview Questions

### *Conquer Your Deliverance: How to Live a Life of Total Freedom*

1. You open your new book *Conquer Your Deliverance* with the idea of “Chicken-coop Christians.” Can you explain this analogy for us and how it relates to the book’s premise?
2. As believers, who are the three voices that speak to us, and what does each say?
3. Our battle as Christians begins with the free gift of salvation. So, what is wrong with the mindset of believers who think of it as a “get out of hell free” card?
4. You say that the Church talks about the enemy but never confronts him. That we no longer live like the early Church of Acts. What should that confrontation look like and how do we choose authentic, bondage-free Christianity?
5. How does the Bible portray the devil differently than the Church does? Why does this matter as we seek to conquer our deliverance?
6. Many of us experience a powerful breakthrough and deliverance but fail to keep a hold of it. What would you say to the believer who has felt stuck in the same sin for years?
7. You were formerly trained as a priest of a satanic cult. How has your time in the kingdom of darkness impacted this message on lasting breakthrough and unhindered freedom?
8. You give readers seven spiritual principles of dressing up for battle. Talk us through a few of these and how they help believers reveal how to approach their fight.
9. How can we assess the spiritual damages on our lives? How do we create a “game plan” to fight back and claim victory in spiritual warfare?
10. Where can our listeners connect with you and find their own copy of *Conquer Your Deliverance*?
