In the Depth of the Storm's Shadow, Only Truth Can Light Her Way

- For readers of biblical fiction by Lynn Austin, Angela Hunt, Mesu Andrews, and Francine Rivers
- Fascinating historical details of biblical times, ancient midwifery, and Hebrew customs bring the Old Testament to life
- A moving story of the victory of love and forgiveness over past sorrows and present trials

Having escaped Egypt with the other Hebrews during the Exodus, Shira is now living in freedom at the foot of Mt. Sinai, upon which rests the fiery glowing Cloud containing the shekinah glory of God. When the people disobey Yahweh and build a golden idol, the ensuing chaos gives Shira an unexpected opportunity to learn the arts of midwifery. Although her mother wishes for her to continue in the family weaving trade, Shira's gifts shine brightest when she assists with deliveries. In defiance of her mother, Shira pursues her heart's calling to become an apprentice midwife.

When a delivery goes horribly wrong, Shira finds herself bound to a man who betrayed her, the caretaker of three young children, and the target of a vengeful woman whose husband was killed by Shira's people, the Levites. As contention between the Hebrew tribes and the foreigners fans the flames of another dangerous rebellion, Shira will come face-to-face with the heartbreak of her past that she has kept hidden for so long. How can she let go of all that has defined her to accept the love she's denied herself and embrace who she truly is?

“The second installment in Cossette’s OUT FROM EGYPT series deals with heavy subject matter in a way that is thoughtful and engaging for readers. . . . This book examines forgiveness (of oneself and others), love and grace through the lens of hope, which leaves readers loving the characters and ready for the next in the series.”

ABOUT THE AUTHOR:

When she is not homeschooling her two sweet kids (with a full pot of coffee at hand), **Connilyn Cossette** is scribbling notes on spare paper, mumbling about her imaginary friends, and reading obscure, out-of-print history books.
