Don’t Let Fear Dominate You!

*Slaying the Giant of Fear
And Releasing the Roar of Breakthrough*
by Krissy Nelson

Fear is a giant that shouts at us from the battle lines of our lives—a giant clad in seemingly impenetrable armor. But God has given us supernatural weapons that can silence the taunting voice of fear.

Sharing stories from her own life and the lives of others, author and speaker Krissy Nelson uncovers a powerful truth: As children of God we are made to live fearlessly. Concealed within the familiar story of David and Goliath are three supernatural weapons David used to slay the giant of fear. These weapons are hidden in plain sight for us to discover and learn to use, because what God gave David, He also gives us. Through a fascinating exploration of Scripture, Nelson helps you position yourself to see fear for what it is: a giant that dares defy the army of the living God.

It is time to run boldly toward freedom. You are ready for battle, and you are not alone. God equips you—and fights with you!

**“Much like Krissy details in her book *Slaying the Giant of Fear*,
you won’t escape great opportunities to be afraid. It is what you do with the
fear that counts. Krissy’s book is an absolutely victorious read.
Read it and slay the giant of fear in your life for good.”**
