Real-World Advice for Taking Control of Blended Family Finances

The Smart Stepfamily Guide to Financial Planning Money Management Before and After You Blend a Family by Ron Deal, Greg Pettys, and David Edwards

Money issues are a frequent source of conflict in all marriages. But blended families are a monetary minefield. Debts, bills, and child support payments from previous relationships often influence the finances of a blended family. And planning for college expenses, retirement, and inheritance gets even more complicated in remarriage. These issues can explode couple unity and blow up developing family harmony.

However, proper blended family money management can make money an asset to your relationship, not a liability. The authors use over 50 years of combined financial planning and blended family educational experience to help you envision your combined financial future and plan for how you'll get there. You'll discover practical ways to merge your current financial realities and protect your marriage while doing so.

Get real-world financial advice specific to unique blended family legal and relational matters so you can provide for your family both now and in the future.

ABOUT THE AUTHORS:

Ron L. Deal is founder of Smart Stepfamilies and director of FamilyLife Blended. He is one of the most widely read and referenced authors on stepfamily living in the country with over 225,000 books sold and millions of print and online article views. Learn more at RonDeal.org.

Greg S. Pettys, CLU, ChFC, CFP, has 32 years of specialized experience in securities and life insurance sales and services. Ron has known Greg for 20 years, and Greg speaks regularly at Ron's stepfamily events.

David O. Edwards is an estate planning and elder law attorney based in Springfield, Illinois. David speaks regularly at Ron's stepfamily events.
