Expert Advice and Tools to Help You Create a Remarriage That Will Last

The Smart Stepfamily Marriage
by Ron L. Deal & David H. Olson

- **40% of families in the U.S. are blended families headed by stepfamily marriages**
- **Nearly 35 million Americans have remarried at least once and another 36 million could remarry**
- **100 million Americans have a step-relationship of some kind (either a stepparent, stepchild, or stepsibling)**

Leading blended family authority Ron Deal and marriage and family expert David Olson show couples how to build on their relationship strengths and improve their weaknesses. Whether they're dating, engaged, a young stepfamily, or an empty-nest couple, *The Smart Stepfamily Marriage* gives them the tools they need at any stage to create a remarriage that will last.

Each chapter of this book explores one of the key qualities of happy remarriages as identified by research. Like a GPS for your relationship, this book has built-in discussion questions that can help couples discover where they are, where they'd like to be, and how to get there.

“You want a marriage that lasts forever, right? Blended family couples can beat the odds—this book will tell you how.”

—Dr. Dennis Rainey, president of FamilyLife, author of *Stepping Up*

“Remarriages have unique challenges and different relational needs than first marriages. Based on a national study of 50,000 couples, this book is a wonderful resource for remarriage couples. Take the online Couple Checkup and get a report about your relationship, read the book, and build a relationship that lasts!”

—Dr. Gary Smalley, author of *The DNA of Relationships*
