Living a Life of Love and Faith without Borders
by Suzanne Eller

A Spirit-Led Heart Manifesto

A woman with a Spirit-led heart

... trusts that God can use her, even when her knees knock
... believes that when she speaks to God, he hears
... reaches for truth as a weapon and isn't afraid to use it
... tells her story, for she has walked with Jesus
... is not lost in the valleys or on the mountaintops
... fights for others, because Jesus fought for her first
... isn't a know-it-all, though she longs to know all there is to know
... doesn't have time to be distracted by drama with no eternal value
... believes that God loves her, and freely loves him back.

Jesus left his followers with a promise—that the Holy Spirit would come and give them boldness and power to live as witnesses. Join bestselling author and Proverbs 31 speaker Suzanne Eller for an exploration of the Holy Spirit, and accept his invitation to live a life of love and faith without borders.

With a special foreword from Jennifer Dukes Lee.
