# Living and Loving from an Abundantly Joyful Heart

## *The Spirit Within* *Getting to Know the Person and Purpose of the Holy Spirit* by Rob King and Eric Ferris

Do you wonder if your life could be more fulfilling? More peaceful, capable, joyful? Are you hungry for more?

Some Christians—even those who have been following Jesus for a long time—have a sense of “something missing.” We feel that we should be more prayerful, more confident in our relationship with God. Here, in these biblically informative and inspirational pages, Vineyard pastors Rob King and Eric Ferris explore this quest of the heart and show how our deepest longings are fulfilled through ongoing, renewable, increasing awareness of the Holy Spirit within.

Here’s your invitation to live a life filled with the Spirit, overflowing with love, making you more like Jesus every day.

**“Written in an everyday, relatable style, *The Spirit Within* warmly and humorously guides readers to recognize, to engage and to depend on God’s Spirit for abundant living and empowerment for Gospel mission.”**

**—Joel Willitts, Ph.D., professor of biblical and theological studies  
and practical theology, North Park University**
