1. At the last supper, Jesus told the disciples that although He was leaving them, He would send someone who would be with them and in them. Why was this such an important factor for the beginnings of the Church?
2. What dangers might people face if they try to live without the Holy Spirit?
3. Why do so many Christians experience fear when thinking or talking about the Holy Spirit?
4. In *The Spirit Within*, you discuss 1 Corinthians 13. What does this chapter in Corinthians tell us about a life filled with the Holy Spirit?
5. Why do so many Christians feel like they must decide between the two extremes mentioned in your book—preoccupation with the Holy Spirit and a fear of the Holy Spirit? In other words, why don't more people live in the middle of these two boundaries?
6. What advice can you offer to Christians who do not know or do not understand what their spiritual gifts are?
7. How does the Holy Spirit remind us of the promises seen throughout the Epistles?
8. What does a relationship with the Holy Spirit look like, and why is this such a vital relationship for Christians to pursue?
9. What do you hope your readers will gain by the time they finish reading *The Spirit Within*?
10. Where can our audience go to get a copy of the book and to connect with you?
