“This book will revive your expectation for God to work through you. I believe this book will bring many together with a common vision for the vital role of spiritual gifts in evangelization. My deepest gratitude to both authors for breaking down barriers to unity so that the world may believe that the Father has sent the Son to save us.”

Global Awakening Founder Explores

The Spiritual Gifts Handbook *Using Your Gifts to Build the Kingdom* by Randy Clark and Mary Healy

The gifts of the Holy Spirit are God’s answer to the darkness of our time, able to convince even the most broken and hardened of hearts that God is real, present and active in our lives. And as the Holy Spirit pours out His gifts among believers, He is uniting Christians of every denomination as one Body.

With wisdom and practical insight, international healing minister Randy Clark teams up with acclaimed Catholic Bible scholar Mary Healy to show that the gifts of the Spirit are for all believers. The authors walk you through biblical texts, dispel misconceptions and show the endless variety of gifts. And they reveal how you can activate the gifts in your own life and use them to benefit others.

“*The Spiritual Gifts Handbook* is written in a way that educates and inspires brilliantly. It is unique in that the two authors, Dr. Randy Clark and Dr. Mary Healy, represent very diverse segments of the Body of Christ—Protestants and Catholics. The beauty of their diversity is that they add strength to the other. This handbook is a great gift to the Church and will be used to train and equip the people of God for many years to come.”

—Bill Johnson, author, *God Is Good, When Heaven Invades Earth and The Power That Changes the World*
