BOOK ANNOUNCEMENT

Romantic Suspense's Rising Star Continues to Win Fans

- “Readers will empathize with the well-crafted and believable characters in this tense opening to her new series.”—*Publishers Weekly* on *Cold Shot*
- Pettrey continues to climb her way to the top of bestseller lists
- Continues the gripping tale of four former friends pulled back into each others' lives

Blacklisted in the photography business over a controversial shot, Avery Tate answered an ad for a crime-scene photographer. She expected to be laughed at, but crime-scene analyst Parker Mitchell hired her outright--and changed her life. But six months ago, when her feelings for Parker became too strong, she left his employ to sort out her heart.

Now, for the first time, Avery is facing the world that rejected her to attend the gallery opening of a photography exhibit for which her friend modeled. But the only image of her friend is a chilling photo of her posing as if dead--and the photographer insists he didn't take the shot. Worse, her friend can't be found, and so Avery immediately calls Parker for help.

As Avery, Parker, and their friends in law enforcement dig into the mystery, they find themselves face-to-face with a relentless and deadly threat.
