Never underestimate the power of prayer. Prayer connects us to God and His heart for our needs and the needs of others nearby and around the world. Where there is an absence of prayer, there is an absence of God's power. Where there is frequency of prayer, there is a continuing display of His power.

Using proven instruction on prayer, related Scripture, inspirational prayer prompts and practical recommendations to put your faith into action, *Talking with God* invites you to saturate your family, neighborhood and nation with targeted intercession.

Empower and transform your prayer life through 12 prayer focuses that will help you to revere God's nature, wait in silent surrender, pray Scripture, intercede for others, give thanks, receive spiritual guidance, magnify your loving Creator and more. Nothing is beyond your reach when you talk with God through prayer.
