Traces of Guilt
AN EVIE BLACKWELL COLD CASE
by Dee Henderson

Minneapolis, MN—With over 3 million copies of her books in print, Dee Henderson has long been considered the queen of inspirational romantic suspense. Her previous novel, *Taken*, hit the #1 spot on the ECPA fiction chart and appeared on *Publishers Weekly* and *USA Today* bestseller lists.

In *Traces of Guilt*, readers will meet Evie Blackwell, the detective whose resolve to bring justice to unsolved crimes will be a sure winner with fans. *Library Journal* said of it, “Henderson’s writing is crisp, and the gripping story line will keep readers on edge until the final page. A twisty plot in which nothing is as it seems,” and *Booklist* called it a “combination of dogged detective work and clever deductions . . . bound to please mystery fans.”

When State Police Detective Evie Blackwell arrives in Carin, Illinois, it’s to help launch a new task force dedicated to reexamining unsolved crimes across the state. She’s taking a fresh look at the evidence for a few troubling missing-persons cases: the disappearance of a six-year-old girl and a family of three that vanished without a trace over a decade ago. With the help of local Sheriff Gabriel Thane, Evie scrutinizes old evidence to pull out a few tenuous leads—and unearths some surprising connections. She won’t stop until she finds the truth . . . but these cases are much more complex than anyone knows.
