“Building on concrete and often vulnerable illustrations from her life and the lives of others in history, Jen Miskov inspires us to trust in and wait on the Lord. The Lord who leads us into storms will also meet us there; He is more than enough and is worth everything.”

How to Experience Miraculous Faith
by Following Jesus with Your Whole Heart**

Walking on Water
*Experiencing a Life of Miracles, Courageous Faith
and Union with God*
by Jennifer Miskov, Ph.D.

Peter never set out to walk on water. He didn't attend a special seminar or school; he just loved Jesus and wanted to be closer to Him. No matter the storm, no matter the danger, he wanted Jesus more.

Love compelled Peter to step out of the boat and into the impossible—and love can do the same for you.

With fresh biblical insight and immediate life application, author and teacher Jennifer Miskov shows that when your deepest desire is to fall more in love with Jesus, a life of courageous faith, bold action and astounding miracles comes naturally. She shares how to experience the unrelenting, extravagant love of Jesus and how to pursue Him with the same passion. You will be inspired to let go of what's safe and step into the impossible—because when we know we are loved, we will do anything.

The wind and the waves will come. But as you keep your eyes fixed on Jesus and step out in faith to be closer to Him, you will see Him do the impossible on your behalf.

“Jen Miskov is one of those people who leads a life of extravagant faith, and in *Walking on Water* she leads you on a journey to do the same.”

—Jessika Tate, founder, In Faithful Pursuit Ministries
